### About Us

We are a traditional cake bakery as well as a café. Our store offers a wonderful selection of cakes, cupcakes, cookies and pastries along with teas and Larry's Bean's Organic Coffee. While custom cakes will always be our focus, our bakery also offers several varieties of take-away cupcakes, cookies, cakes, and more for anyone that "pops-in" needing a quick treat or last minute dessert.

### Special Orders

We create unique one-of-a-kind confections for weddings, private parties, birthdays, baby showers, corporate events and other special occasions. We enjoy working with our customers to help them design a unique dessert for their event.

Call us today and we will start baking for you!

"I enjoy the creativity and beauty of cake decorating. I find it amazing to create a work of art out of something so simple as cake and buttercream. I love the challenge of making a customer's vision and design come to life for their special event."
